

# FLIGHT

*I can uncover the forces that allow flight to improve our society.  
I can engage in meaningful academic conversations to enhance my understanding.*

## Learning Opportunities:

### **Thinking Routine**

**Develop a Generate, Sort, Connect and Elaborate Map**

(Make certain to connect Newton to your Map)

### Economics

**Purchase** one of the following Aerospace Companies:

*Boeing, Lockheed Martin, United Technologies, Raytheon, L3 Technologies, General Dynamics, Northrop Grumman, Rockwell Collins or any transportation company like Delta, JetBlue etc.*

### Flight Challenge.

Create a chart (*Google Docs*) that will document your trials.

Build your prototypes.

Test your prototypes and document your results.
